

Akshay Bedre**Email:** akshaybedre61@gmail.com**Contact No:** +91-7887420405**PROFESSIONAL OBJECTIVE**

Enthusiastic and dedicated student pursuing engineering , with a keen interest in coding and making new projects. As a highly motivated individual, I am eager to leverage my academic background, passion for my domain, and strong problem-solving skills to contribute effectively as an intern

PROFESSIONAL INTERNSHIP EXPERIENCE**1stopAI | Web Development Intern | October 01, 2023 - November 15 , 2023**

- Creation of Single Page Website
- Bootstrap and HTML Calculator

TECH-PROJECTS

- **Form Validation**
 - In this I've created a Netflix clone where a user can sign up by submitting a username and a passcode, and subsequently log in using the same username. I utilized an XAMPP server to integrate PHP files with a MySQL database for this functionality.
Technology used : Xampp , PHP , MySQL
<https://github.com/ForeverAkshay/php>
- **Portfolio Website**
 - A dynamic web page made using HTML, CSS & Js
<https://foreverakshay.github.io/Resume/>
- **Bank Management System**
 - Developed a Bank Management System where I utilized Java Swing for the front-end and SQL for the back-end. The system included various functionalities such as login and signup pages, a page to display account balance, and pages for depositing and withdrawing money, among other features. This project helped me gain practical experience in building and managing comprehensive software applications
- **Weather app using API**
 - I've developed a web page that provides real-time weather information for any location by utilizing an API. The user interface is designed to maintain aesthetic appeal and functionality
<https://github.com/ForeverAkshay/WeatherApp>
- **Tic-tac-toe**
 - Game based on Javascript
<https://github.com/ForeverAkshay/TicTacToe>

IT PROFICIENCY

- **Programming Language:** C, C++, JAVA, JavaScript, React , HTML and CSS
- **Databases:** MySQL, SQL Server ,Mongodb
- **Reporting Tool:** SSRS, Power-B
Data Structures and Algorithm, Problem Solving Skills, AWS [Amazon Web Services]

CERTIFICATION

- **JAVA certification** [Codechef]
 - Enhanced Programming language concepts and scripting.
- **Blockchain Basics** [Linked In]
 - Concepts of blockchain and cryptography
- **Introduction To Cybersecurity** [Cisco]
 - Brief intro of cybersecurity , privacy and data protection

ACADEMIC INFORMATION

Qualification	Board/University	Year	Percentage
B.Tech (Computer Science Engineering)	Savitribai Phule Pune University, Pune	6th Semester of Eng	Till 5 th Sem 7.29 (CGPA)
Class XII	Nowrosjee Wadia College, Pune	2020	82%
Class X	Stella Maris High School, Pune	2018	79%

STRENGTHS

- **Multitasking:** Proven ability to handle multiple tasks efficiently.
- **Adaptability:** Quick to adapt to changes, thriving in dynamic environments.
- **Decision-Making:** Strong decision-making skills, especially under pressure.
- **Confidence:** Confident in approaching challenges and new opportunities.
- **Stress Management:** Effective time and stress management abilities.

AREAS OF INTEREST

- Interested in Web development, Networking.
- Hobbies: Reading, Sports , Binge Watch, Trekking.

PERSONAL INFORMATION

Father's Name	Ganesh Bedre
Date of Birth	5 th November 2003
Nationality	Indian
Current/Permanent Address	Vadgaonsheri , Pune - 411014
Languages known	English, Hindi, Marathi

DECLARATION

I hereby declare that the above-mentioned information is true to the best of my knowledge and I bear the responsibility for the correctness of the above-mentioned particulars.
